श्री बलवन्त सिंह रामूवालिया: धन्यवाद सभापति महोदय। रेन हार्वेस्टिंग की योजनाएं धरती में तेजी से कम हो रहे पानी और उससे उत्पन्न हुई समस्याओं का हल निकालने के लिए हैं। मैं आपसे पूछना चाहता हूं कि जिन शहरों में आपने रेन हार्वेस्टिंग योजनाएं बनाई हैं, क्योंकि अब ऐसा कहा जा रहा है कि तीसरा विश्व युद्ध पानी और पेट्रोल पर होगा, तो क्या आपने रेन हार्वेस्टिंग प्रोजेक्ट्स के लिए जो शहर चुने हैं, उनमें ग्राउंड वाटर को बचाने के लिए जो योजनाएं हैं, उनमें और रेन वाटर हार्वेस्टिंग योजनाओं में तालमेल बैठाने का कोई प्रयोजन बनाया है ?

SHRI O. RAJAGOPAL: Sir, recharging of ground water is the objective and rain water harvesting is one of the methods. There are other methods also, about which the Government is aware. We would like to take it to the different parts of the country.

MR. CHAIRMAN: As a special case, Shrimati Kum Kum Rai.

डा. कुमकुम राय : धन्यवाद सभापति महोदय। मैं आपके माध्यम से माननीय मंत्री महोदय से यह जानना चाहती हूं कि केन्द्रीय भूमिगत जल बोर्ड ने इस योजना में देश के 17 प्रमुख राजधानी नगरों को शामिल किया है, तो क्या जब तक अन्य नगरों को आप शामिल करें तब तक के लिए आप सभी नगर निगम और म्युनिसिपैलिटीज़ को ऐसा कोई प्रतिबंध लगाने की बात कहेंगे कि उनके क्षेत्र में अवस्थित वर्तमान में जो भी पुराने तालाब हैं, उनको भरा न जाए और उनको आवासीय परिसर में न बदला जाए, ऐसा कोई प्रतिबंध आप लगाना चाहते हैं या नहीं?

SHRI O. RAJAGOPAL: Sir, I would like to remind the hon. Member that water management is a State subject. However, the Central Government is taking the initiative in giving guidelines regarding the ways in which it is to be implemented. We are taking the initiative to implement it in a few cities. We would like to have these schemes implemented throughout the country, and, naturally, the traditional method of conserving water should be encouraged. That is our plan.

(d) Due to heavy registration and paucity of land, there was delay in allotment of plots. The disposal of the balance waitlisted registrants is dependent on acquisition of large sizes of land. DDA has already acquired 1478 acres of land in Rohini for partly liquidating the pendency of waitlisted registrants under the Scheme.

श्री राजकुमार धूत: सभापति जी, मैं मंत्री महोदय से यह जानना चाहूंगा कि उन्होंने अभी तक 1400 एकड़ लैंड आवंटित किया है जिसमें इतना पेंडिंग पड़ा है कि पता नहीं उसमें से कितना क्लीयर होगा? यह लैंड लिए हुए काफी समय हो गया है, तो इसमें डिले क्यों हो रहा है? डिपार्टमेंट के थ्रू आप जितना जल्द से जल्द दे सकते हैं, वह देना चाहिए क्योंकि अभी तक काफी डिले हो गया है। मैं यह भी जानना चाहता हूं कि जो बैलेंस रहेगा, उसके लिए डिपार्टमेंट क्या स्कीम बना रहा है और कितने दिनों में और नया लैंड आवंटित किया जाएगा?

श्री अनन्त कुमार : छः महीने में हम 12000 प्लॉट्स देंगे और बाकी के लिए हम और 12000 एकड़ लैंड का ऐक्विज़िशन कर रहे हैं और इसके लिए हमें पांच साल चाहिए।

DR. ALLADI P. RAJKUMAR: Sir, I have a humble request to make. Most of the Members do not know the practice being adopted in regard to the number of supplementaries which can be put by a Member. That is why they try to put three-four supplementaries to a question. My request to you is to kindly write to all the Members that, hereafter, only two supplementaries per question will be allowed so that every Member who is present in the House and wants to put a supplementary gets a chance to do so.

श्री सभापति: आपके सुझाव के मुताबिक सभी माननीय सदस्यों को पत्र लिख देंगे।

Kidney case

*85. SHRI KARNENDU BHATTACHARJEE: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether Government's attention has been drawn to the news-item captioned, "Cop says doctors removed kidney and didn't tell", which appeared in the Hindustan Times, dated the 23rd September, 2002;

(b) if so, Government's reaction thereto;

(c) whether any inquiry has been/is being instituted to investigate into the incident;

(d) if so, the details thereof and if not, the reasons therefor; and

(e) whether any action is being contemplated against the concerned doctor(s) for such professional misconduct?

THE MINISTER OF HEALTH AND FAMILY WELFARE (SHRI SHATRUGHAN SINHA): (a) to (e) A Statement is laid on the Table of the House.

Statement

(a) to (e) Yes, Sir. A preliminary investigation conducted by the hospital authorities reveals that the patient named Shri Dalbir Singh was operated on 3.5.1999 at Dr. R.M.L. Hospital, New Delhi and as per records, right Pyelolithotomy (removal of kidney stone from Pelvis of right kidney) was done and kidney was not removed as alleged.

Moreover, local police is conducting preliminary investigations on the complaint from Shri Dalbir Singh.

SHRI KARNENDU BHATTACHARJEE: The hon. Minister, in his reply, has stated that the incident which happened on 3.5.1999 is being investigated. He has stated that only a preliminary investigation of the case has been conducted by the hospital authorities, since the year 1999. Sir, it is very unfortunate that a person, who was admitted to a hospital was not informed of the ailments he was suffering from and which surgery was necessary to be performed. Generally the patient and his relatives had to give a written undertaking that they
